Summary

Motivated Computer Science student with a strong foundation in Java Full Stack Development, web technologies, and database management. Skilled in building responsive applications using Java, Spring Boot, React, MySQL, and modern web technologies.

Education

Bachelor of Technology (Computer Science and Engineering) Sanjeevan Group of Institutions, Panhala	Pursuing CGPA: 8.18
Diploma in Computer Engineering Yashwantrao Chavan Institute of Polytechnic, Beed	2020 – 2023 79.80%
SSC Shivaji Vidyalaya, Beed	2020 82.00%

Technical Skills

Languages: C, C++, Java, JavaScript, Python
Frontend: HTML, CSS, Bootstrap, React.js
Backend: PHP, Node.js, Spring Boot
Database: MySQL, MongoDB
Tools & Concepts: Git, GitHub, OOP, DBMS

Internships

Java Full Stack Intern I Gap Solution	Sep 2025 – Present
---	--------------------

- Worked on Java Full Stack Development using Java, Spring Boot, and MySQL.
- Built backend modules, REST APIs, and integrated database functionalities.
- Developed and tested full-stack features with frontend-backend connectivity.

Web Development Intern Atharva IT Solution	Jun 2025 – Aug 2025
--	---------------------

- Developed responsive web pages using HTML, CSS, Bootstrap, and JavaScript.
- Built user-friendly UI components and improved website responsiveness.
- Worked on frontend development, debugging, and basic backend integration.

Projects

Student Management System

Tech Stack: Java — Spring Boot — MySQL — HTML — CSS — Bootstrap

- Developed a full-stack student management system to manage student records efficiently.
- Implemented CRUD operations for student details, attendance, and academic data.
- Integrated MySQL database for secure storage and fast retrieval of student information.

Virtual Calculator Using OpenCV Python

Tech Stack: Python — OpenCV

- Developed a virtual calculator using hand gesture recognition through webcam.
- Implemented real-time gesture detection for performing arithmetic operations.
- Improved interaction by enabling touchless calculation using computer vision.

Certifications

- Completed **Python** course on NPTEL

- Completed **Cloud Computing** course on NPTEL
- Completed **German Language Workshop** (1 Week)
- Completed **AI Workshop** (4 Days)

Soft Skills

Problem Solving | Teamwork | Communication | Time Management
